Trace and Write 11 to 20

For parents: Say each number. Trace the grey number, then write it in the two empty boxes. The first row is done for you.

1 Read, trace, then write

11	11	11	
12	12		
13	13		
14	14		
15	15		
16	16		
17	17		
18	18		
19	19		
20	20		

For parents, answers: 11 to 20 in order, top to bottom. Start every number at the top; 1 is one straight line down.
