LKG Maths • Number sequence

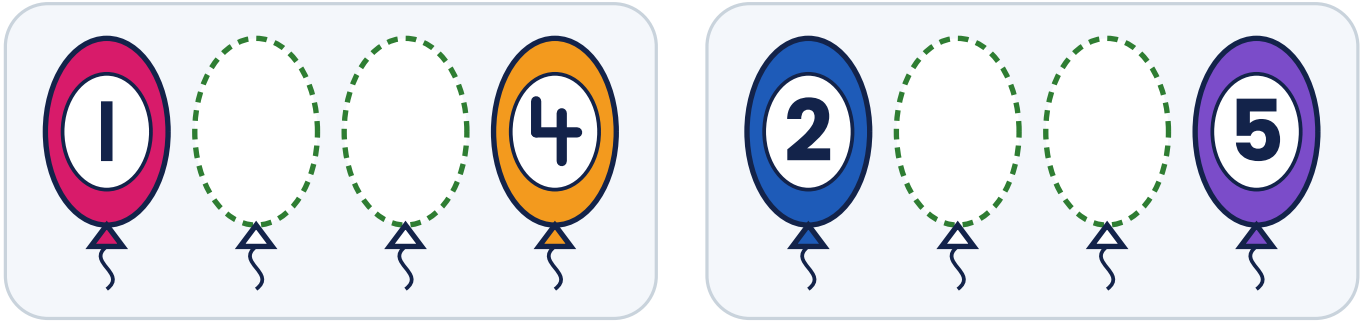
What Comes Between 1 to 5

For parents: Say the numbers in order: 1, 2, 3... Write the number that sits between on the empty balloon. In part 2, count along and fill both.

1 Write the number that comes between

Example

2 Two numbers between: fill both



For parents, answers: part 1: 2 (example), 3, 4; part 2: 2 and 3, then 3 and 4

I did it! ☆☆☆
